

At Binney Family Funerals it is our priority to carry out the family's wishes in their entirety, and we understand that a funeral service should be as individual as the life being remembered. We also understand that it is important to consider the emotional and budgetary requirements of every family. You are encouraged to contact us to discuss the exact requirements of the individualised service you desire for your loved one. We can guide you through this process offering professional insights into what is legally needed, along with religious and cultural requirements (if these apply) followed by a range of options you may wish to consider to personalise the funeral for your loved one. As a guide we provide below a list of anticipated costs associated with conducting a funeral service, we provide this cost guide for your information as required pursuant to Part 2, Division 2 of the Fair-Trading Regulation 2019.

We encourage you to contact us on our all hours number **02 6622 2420** or via this web page to Request a Cost Estimate to discuss your individual needs. We will gently walk you through the various steps to tailor a funeral service to your individual needs with consideration to your financial requirements.

Our Professional fees (for a single or dual location conducted service) include over and above Business operation expenses, provision of specialist vehicles, Provision of health approved premises and staff costs

- Memorial Book for those in attendance to sign
